A photograph showing three people walking away from the camera towards a modern, two-story building. The building has a dark, textured facade with large glass windows and doors. It features a prominent arched entrance on the ground floor and several smaller arched windows on the upper floor. A green metal overhang extends from the right side of the building. The people in the foreground are dressed in casual to semi-formal attire. One man in a green shirt and khaki pants carries a white umbrella. Another man in a light blue shirt and dark trousers carries a black umbrella. A third person, partially visible on the left, holds a clipboard and a blue and white plaid umbrella.
